

**EUROPEAN
SHOOTING
CONFEDERATION**

Date: 20th July 2026
To: ESC Member Federations
Subject: **ESC Foundation Coach Course – ONLINE**

Dear Colleagues

The European Shooting Confederation is pleased to announce that registration is now open for the ESC Foundation Coach Course, which will be held online from **24 to 31 August 2026**.

The Foundation Coach Course is the entry level of the ESC Coaching & Performance Academy and represents the first stage of the ESC Coach Education Pathway. It has been designed to provide aspiring coaches with the fundamental knowledge, practical skills and coaching principles required to begin coaching within the Olympic shooting disciplines. Successful completion of the course is a mandatory prerequisite for admission to the National Coach (Level 1) programme.

The course will be delivered entirely online through the ESC Learning Management System, enabling participants to complete the learning modules at their own pace during the course period. It will be conducted in English by experienced tutors in the Rifle, Pistol and Shotgun disciplines.

Member Federations are invited to nominate suitable candidates by registering them through the ESC Entry System no later than **10 August 2026**. The participation fee is **EUR 100** per participant.

The General Information, containing full details of the course, including the registration procedure, course structure, assessment, payment instructions and important deadlines, has been published on the ESC website.

We encourage all Member Federations to take advantage of this educational opportunity and support the development of qualified coaches within their national coaching programmes.

Yours sincerely

Elena Allen
ESC Sport Director
